

STANDARDS OF ETHICAL CONDUCT FOR MEMBERS OF THE BOARD OF DIRECTORS

COASTAL INDIGENOUS PROSPERITY SOCIETY
AND COAST CONSERVATION ENDOWMENT FUND FOUNDATION

The fundamental relationship between a member of the Board of Directors (“Board Member”) and the organization which the Board Member serves is one of trust; essential to trust is a commitment to honesty and integrity. Ethical conduct within this relationship imposes certain obligations.

The purpose of this document is to set out the standard of ethical conduct expected of all Board Members of the Coastal Indigenous Prosperity Society (CIPS) and Coast Conservation Endowment Fund Foundation (CCEFF) (collectively, Coast Funds), including Coast Funds’ commitment to providing and maintaining a work environment free from discrimination, workplace harassment and sexual harassment, where all individuals are treated with respect and dignity, can contribute fully, and have equal opportunities. Discrimination, workplace harassment and sexual harassment to or by any Board Member is unlawful and unacceptable and shall not be tolerated.

This Policy does not, nor could it, address all forms of business conduct or Board Member activity. The matters expressly dealt with are indicative of Coast Funds’ commitment to the maintenance of high standards of conduct and are to be considered prescriptive of the type of behavior expected from Board Members in all circumstances. Board Members are therefore expected to comply with the spirit and intent of this Code and to make themselves aware of, and comply with, relevant laws and other standards governing their conduct.

1. SCOPE

- 1.1 The Standards set out herein apply to all Coast Funds Board Members.

2. DUTIES

The effective governance of Coast Funds is contingent on all Board Members fulfilling their roles and responsibilities with the highest standards of conduct, including but not limited to the duties stated below. Violation of any of the duties listed may be grounds for removal of a Board Member. The list of duties is illustrative only and is not exhaustive.

- 2.1 Duty of Loyalty – Board Members have a duty to be responsible first and foremost to Coast Funds’ welfare. In deliberations and voting they shall always act in accordance with Coast Funds’ best interest as a whole.
- 2.2 Duty of Care – Board Members are expected to act at all times in a prudent and diligent manner by:

3. COMPLIANCE WITH THE LAW

- 3.1 In fulfilling their role as Board Members, each Board Member must at all times comply with both the letter and the spirit of all applicable laws.
- 3.2 In their role as Board Members, no Board Member will commit or condone an illegal act or instruct another Board Member, employee, or supplier to do so.
- 3.3 Board Members are expected to be sufficiently familiar with any legislation that applies to their responsibilities as Board Members to recognize potential concerns and to know when to seek advice. If in doubt, Board Members are expected to ask for clarification.
- 3.4 Board Members shall not only comply with the law, but shall also avoid any situation which would be perceived as improper or indicate a casual attitude towards compliance with applicable laws.

4. CONFLICTS OF INTEREST

- 4.1 In general, a conflict of interest exists for Board Members who use their position as a Board Member to benefit themselves, their families, their close friends or their business associates.
- 4.2 Coast Funds is a unique organization dealing with a unique set of decision-making circumstances. It does not typically face the kind of conflict contemplated by the Societies Act of British Columbia that other organizations face, i.e. that of Board Members in conflict because they may personally profit from a transaction. Rather, Coast Funds Board Members are typically in conflict because they are representatives of communities or First Nations' organizations applying for funding from their allocations. Those individuals provide valuable context and clarity to consideration of the contents of applications before the board. They are in a position to respond to questions about the broader context of the proposed project in a community. This contributes to better informed and more robust decision-making and promotes a strong culture of trust within the organization. This also helps to ensure a quorum is present at all times so as to proceed with timely decision-making.
- 4.3 Notwithstanding section 4.2 above, no Board Member shall:

COAST FUNDS

- 4.3.1 use their position with Coast Funds to pursue the interests of a business associate, corporation, union or partnership; or the interests of a person to whom the Board Member owes and obligation;
- 4.3.2 directly or indirectly benefit from a transaction entered into by Coast Funds unless the disclosure requirements of this Policy have been followed;
- 4.3.3 not take personal advantage of an opportunity available to Coast Funds unless the organization has clearly and irrevocably decided against pursuing the opportunity, and the opportunity is also available to the general public.
- 4.3.4 use their position with Coast Funds to solicit clients for the Board Member's business, or a business operated by a related person, close friend, business associate, or a corporation, union or partnership of which the Board Member is a member, or a person to whom the Board Member owes an obligation.
- 4.4 Every Board Member shall avoid any situation in which there is, or may appear to be, a potential for a conflict which could appear to interfere with the Board Member's judgment in making decisions in Coast Funds' best interest.
- 4.5 There are many situations that could give rise to a conflict of interest. The following are examples of the types of conduct and situations that can be a conflict of interest:
 - (a) influencing the organization to lease equipment from a business owned by the Board Member's partner;
 - (b) influencing the organization to allocate funds to an institution where the Board Member or a family member works or is involved;
 - (c) participating in a decision by the organization to hire or promote a family member of the Board Member who resides with the Board Member;
 - (d) influencing the organization to make all its travel arrangements through a travel agency owned by a relative or family member of the Board Member who resides with the Board Member;
 - (e) influencing or participating in a decision of the organization that will directly or indirectly result in the Board Member's own financial gain.

COAST FUNDS

- 4.6 A Board Member shall fully disclosure and circumstances that could conceivable be construed as conflict of interest.

5. DISCLOSURE

- 5.1 Full disclosure of a conflict is legally required and enables Board Members to resolve situations of conflicting interests before any difficulty can arise.
- 5.2 A Board Member shall, immediately upon becoming aware of a potential conflict of interest situation, disclose the conflict, in writing to the Board Chair and each and every other Board Member. This requirement exists even if the Board Member does not become aware of the conflict until after a transaction is complete.
- 5.3 If a Board Member is in doubt whether a situation involves a conflict, the Board Member shall immediately seek the advice of the Board Chair. If appropriate, the Board Chair may seek advice from a outside source or legal counsel. If the Board Chair determines that a conflict exists, then the Board Chair shall report the matter to the Board.
- 5.4 If a Board Member is concerned that another Board Member (the “Potential Conflict Board Member”) is in a conflict of interest, the Board Member (the “Inquiring Board Member”) should bring their concern to the attention of the Potential Conflict Board Member. If the Potential Conflict Board Member is not of the view that a conflict exists, the Inquiring Board Member may then bring their concern to the attention of the Board Chair. The Board Chair will consult with the Potential Conflict Board Member and if the Board Chair concurs with the Potential Conflict Board Member, that is the end of the matter. If the Board Chair does not concur with the Potential Conflict Board Member they will then request the Potential Conflict Board Member to follow the disclosure requirements outlined in this section. If the Potential Conflict Board Member chooses not to comply with the request of the board chair, they do so with full knowledge of section 8.1 of this Policy.
- 5.5 A Board Member must disclose the nature and extent of any conflict before or at the first meeting of the Board after which the situation creating the conflict has come to the Board Member’s attention. After disclosing the conflict, the Board Member:
- (a) may take part in the discussion of the matter, but may not vote on any questions in respect of the matter (although the Board Member may be counted in the quorum present at the board meeting);
 - (b) if the meeting is open to the public, may remain in the room while the matter giving rise to the conflict is under discussion, but will

COAST FUNDS

leave the room prior to any vote on the matter giving rise to the conflict;

- (d) must not attempt, in any way or at any time, to influence the voting of the board on any question relating to the matter giving rise to the conflict.

6. OUTSIDE BUSINESS INTERESTS

- 6.1 Board Members shall declare all business interests with which they are engaged at the time of their appointment. Notwithstanding such business interests, Board Members are required to act in Coast Funds' best interest at all times.
- 6.2 Notwithstanding that a Board Member may be appointed to the Board by a stakeholder, that Board Member does not represent the interests of that stakeholder. The Board Member is obligated at all times to act in the Coast Funds' best interests and not the stakeholder.
- 6.3 No Board Member shall hold a significant financial interest, either directly or through a relative or associate, or hold or accept a position as an officer or Board Member in an organization in a material relationship with Coast Funds, where by virtue of their position in Coast Funds, the Board Member could in any way benefit the other organization by influencing Coast Funds' purchasing, selling or other decisions, unless that interest has been fully disclosed in writing to the Board Chair and other Board Members.
- 6.4 A "significant financial interest" in this context is any interest substantial enough that Coast Funds' decisions could result in a personal gain for the Board Member.

7. CONFIDENTIAL INFORMATION

- 7.1 Confidential information includes proprietary technical, business, financial, legal, or any other information which Coast Funds treats as confidential.
- 7.2 Board Members must not, either during or following the termination of an appointment, disclose such information to any outside person unless authorized by Coast Funds' Board of Directors.

COAST FUNDS

- 7.4 If in doubt about what is considered confidential, a Board Member should seek guidance from the Board Chair.

8. OUTSIDE MEMBERSHIP AND ASSOCIATION

- 8.1 A Board Member who accepts a position with an organization that could lead to a conflict of interest or situation prejudicial to Coast Funds' interest, shall discuss the implication or accepting such a position with the Board Chair recognizing that acceptance of such a position might require the Board Member's resignation from Coast Funds' Board.

9. ENTERTAINMENT, GIFTS AND FAVOURS

- 9.1 It is essential to fair business practices that all those who associate with Coast Funds, as suppliers, contractors or Board Members, have access to Coast Funds on equal terms.
- 9.2 Board Members and related persons should not accept entertainment, gifts or favours that create or appear to create a favoured position for doing business with Coast Funds. Any firm offering such inducements will be asked to refrain from doing so.
- 9.3 No Board Member will offer or solicit gifts or favours in order to secure preferential treatment for themselves or Coast Funds.
- 9.4 Under no circumstances will Board Members offer or receive cash, preferred loans, securities, or secret commissions in exchange for witnessing such an offer must report the incident to the Board Chair immediately.
- 9.5 Gifts and entertainment should only be accepted or offered by a Board Member in the normal exchanges common to Coast Funds' established business relationships. An exchange of such gifts should create no sense of obligation on the part of the Board Member.
- 9.6 Inappropriate gifts received by a Board Member must be returned to the donor.
